DEPARTMENT OF HOMESCIENCE

“FABRIC PAINTING AND JEWELLERY MAKING”

Fabric Painting is a very interesting hobby and passion that one can inculcate. There are professionals who specialise in fabric painting in a big way commercially. It's been an initiative and a breakthrough on our part here at Pidilite to have launched out new range of Fevicyl Fabric Colours that are ideal and apt to be used on fabrics.

The Fevicyl Fabric colours are bright, bold and they are versatile on fabric/s. The colours are water based and absolutely safe for children as they are non toxic in nature.

Fabric painting can be successful only if you use the correct kind and type of fabric. The nature and properties of Fabric colours make it apt for fabric no doubt but choosing the right fabric is important. Fabric colours are perfect and best on materials such as cotton, khadi and silk as they are natural fibre fabrics.

There are few important key specifics that one needs to keep in mind while painting on fabric materials. Here are few pointers ; A tightly woven fabric when painted on will give you a very smooth kind of a finish. Similarly, a loose fabric can nevertheless be painted but requires a specific kind of technique. The higher the thread count of a fabric the better would be the final resultant.

Another very vital aspect that needs to be kept in mind is, how a fabric needs to be prepared prior to painting. Firstly, a fabric needs to be pre washed so that if there is scope of shrinkage in it, it would be over with and if any starch present that too would be washed off. Secondly, the fabric would have to be dried and ironed.

Once these things are done on a fabric, your base material is now ready to be painted with Fabric Colours. synthetic fabrics now, they normally do not absorb colours as they are made of polymers and the paint would merely sit atop the fabric. Having said that Fevicyl Fabric Paints work well on synthetic fabrics, provided the fabric has no sheen or an oily finish. Washable, natural fibres and blends are the best fabrics to be worked on with Fabric paints.

OBJECTIVE AND COURSE DESIGN

The Certificate holder will acquire the required skills over a period of time in fabric painting the teaching will be divided into 80% practical component and 20% theory component. Mentor should note that the Certificate programme is to lay full stress on practical aspects as reflected in the ratio mentioned above. The primary purpose of the programme is to enable the students to focus on a particular set of working skills which should lead to a vocation or employment.

CAREER OPTIONS

The following employment opportunities are visualized for Certificate holders in Fabric Painting and Jewellery Making

As a self-employed women starting a small-scale industry

As a fashion coordinator in export/domestic industry

As a consultant for Fabric Painting

As a Designer for garments

To make Jewellery for the Garments in low cost.

The course of “Fabric Painting and jewellery making” is an effort to develop aesthetic skills in an individual which would not only help one generate newer forms of design but also would provide a sound footage in guiding a skilled person to transform the idea into an art piece. More over this course is designed to all the women who have good creative skills and make beautiful art piece through waste and gift the same to their friends and for sale.

25 students have joined this course and learnt the different styles and strokes of fabric painting on different garments. They have learnt mural art, Photo frames, Jewellery making according to the present fashion to set a new trend among college going girls. Apart from the above they had made use of several waste materials in art pieces by reusing them in Interior decoration of the home. At the end of the course an exam was conducted and the scripts were valued by the trainer. An exhibition was also arranged on this course and certificates were distributed to the students. Students felt very happy and actively participated in this certificate course from different streams.

Dt: 16-05-2022

Sub: Revised Choice Based Credit System- 3/4 year conventional degree Programmes – Community Service Project /internship/Apprenticeship /On the Job Training – Standard Operating Procedure (SOP) to be followed- reg.

Ref: 1. G.O MS.No.9, Higher Education (EC) Dept. dt:11/03/2022
2. Guidelines for the Community Service Project, issued by APSCHE
3. APSCHE-Revision of syllabus under CBCS with effect from 2020-21-Guidelines -Corrigendum issued vide Lr.No.APSCHE /AC /CBCS-2019-20/Review/22 Dt. 25.03.2022

As per the orders of the Government cited in the 1st reference, there shall be mandatory internship for all UG programmes for 10 months – 1st Internship (Community Service Project) after the end of 2nd semester examinations, 2nd Apprenticeship/ Internship / On the Job Training after the end of 4th semester examinations and the 3rd and final Apprenticeship / Internship / On the Job Training in 5th or 6th semester to ensure that the students develop hands on technical skills which will be of great help in facing the world of work along with developing social consciousness and compassionate commitment towards the neighbourhood.

Community Service Project is an experiential learning strategy that integrates meaningful community service with instruction, participation, learning and community development. Community Service Project involves students in community development and service activities and applies the experience to personal and academic development. Community Service Project is meant to link the community with the college for mutual benefit. The community will be benefited with the focused contribution of the college students for the village/ local development. The college finds an opportunity to develop social sensibility and responsibility among students and also emerge as a socially responsible institution.

The following Standard Operating Procedure shall be followed for the implementation of Community Service Project (1st Internship) in all Government Degree Colleges in the state duly following the Guidelines given by APSCHE vide reference no.2 cited.

Standard Operating Procedure (SOP) for Community Service Project (1st Internship)

I Duration:

The Community Service Project shall be held after the completion of 2nd semester examinations, i.e during intervening summer of 2nd semester and 3rd semester for the duration of 4 weeks (100 Hours). For the students who are admitted in first year for the academic year 2021-22, the Community Service Project can be done anytime during III to VI semesters, including on weekends or holidays, completing the mandatory 4 weeks as per the APSCHE Guideline – Corrigendum cited vide reference no.3.

II Schedule:

- ❖ Socio-Economic Survey of the Village/Habitation (One weeks)
- ❖ Community awareness campaign (One week)
- ❖ Main Project Implementation (One week)
- ❖ Project Report writing (One week)

III Implementation of the CSP:

- A group of students or even a single student could be assigned for a particular habitation or village or municipal ward, as far as possible, in the near vicinity of their place of stay, so as to enable them to commute from their residence and return back by evening or so.
- Each faculty member is to be assigned with a class/ section/ group of 10 to 15 students depending upon availability of the faculty members. The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.
- All the Regular, Contract, Guest faculty shall be involved in CSP as faculty – mentor for a group of students.
- The Community Service Project should be different from the regular programmes of NSS/NCC/Green Corps/Red Ribbon Club, etc in an adopted village. Students shall be given choice to take up CSP in the habitation or village or municipal ward of their own choice/convenience.
- The Community Service Project is a twofold one –
 - ❖ First, the student/s could conduct a survey of the habitation, if necessary, in terms of their own domain or subject area. For ex., a

student of Arts will focus on socio-economic conditions, social survey and about the Government's social security schemes. A student of Sciences could take up a survey on the health and hygiene conditions of that habitation, similarly, with other subject areas too. Or it can even be a general survey, incorporating all the different areas. A common survey format could be designed. This should not be viewed as a duplication of work by the Village or Ward volunteers; rather, it could be another primary source of data.

- ❖ Secondly, the student/s could take up a project work related to their domain or subject area.

IV Role of the Teacher/Mentor:

- a) The faculty mentor shall provide necessary orientation and training for the students on methodology for survey, preparation of questionnaire, maintenance of Log Book, Project report and writing etc.,
- b) To assign a village/ habitation/ municipal ward to each student as per the choice of the student/convenience.
- c) To guide the students in conducting socio economic Survey in the assigned village/ habitation/ municipal ward.
- d) To guide the students to take up Community awareness campaign/special camps and to act as resource person when required.
- e) To verify and countersign the Log Book of each student
- f) To guide the students in implementation of the project and Project report.
- g) To evaluate the project and award the grade based on the active participation of the student as per the assessment methodology

V Procedure:

1. Socio-Economic Survey of the Village/Habitation – log book

A group of students under the guidance of faculty mentors conduct a Socioeconomic Survey of the Village/habitation. They will interact with people to acquire basic knowledge on the project chosen for study and conduct the survey using a structured questionnaire.

2. Community awareness campaign

The students group takes up community awareness campaigns based on the above survey conducted by identifying the problems or vulnerable

issues. They may also conduct house to house campaign on socially relevant theme. Ex: Government welfare programs, health care, consumer protection, food adulteration, digital transactions, information sources, etc.

3. Project Implementation

A group of students choose a topic related to their subject area and conduct a Project which includes, Data collection, interviews, internship in any select unit or department.

4. Project Report

The student should submit a project report duly signed by the mentor.

VI Assessment Methodology:

- ❖ There will be only internal evaluation for CSP internship.
- ❖ The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.
- ❖ The assessment is to be conducted for 100 marks.
- ❖ 4 Credits to be allocated for Community Service Project within the Choice Based Credit System (CBCS).
- ❖ **Assessment Components:**

S.No	Assessment Component	Max Marks
1.	Project Log	20
2.	Project Implementation	30
3.	Project Report	25
4.	Project Presentation	25
	Total:	100

VII Internal viva committee:

An internal Viva shall be conducted by a committee constituted by the principal of the college. The committee shall consist of the following members;

1. Mentor/ faculty in-charge of CSP

2. One faculty member from other departments within the same course combination
3. One faculty member from Languages/ other courses

All the Principals of GDCs shall bestow their personal attention on the above SOP and implement Community Service Project (1st Internship) as per the schedule without fail.

In the G.O. 1st read above, permission was accorded to the State funded Universities in the State of Andhra Pradesh for introduction of four (4) year Honours Programmes with ten (10) months of mandatory internship.

2. In the e-file 2nd read above, the Secretary, A.P. State Council of Higher Education has submitted that the AP State Council of Higher Education constituted Committees to redesign the curriculum framework of all UG Conventional and Professional (Engineering) Programmes and based on the recommendations of the Committees and the vision of the Hon'ble Chief Minister, a thoroughly revised curriculum with Life Skill Courses, Skill Development Courses and Skill Enhancement Courses in conventional degree programmes and skill courses in major and minor electives and skill enhancement electives in Engineering programmes was introduced from the Academic Year 2020-21. The unique feature of the revised curriculum is a 10 month mandatory internship/apprenticeship/on the job training, of which a 2 month Community Service Project was an integral part.

3. The mandatory 10 month internship is done in three phases. In the first phase, the 2-month Community Service Project shall be mandatorily done by all students during the intervening summer vacation between the first and second years of study and in the second phase a 2-month internship/apprenticeship/on the job training shall be mandatorily done by all the students during the intervening summer vacation between the second and third years of study. In the final and third phase a 6-month (one full semester) internship/apprenticeship/on the job training shall be done mandatorily either in the 5th Semester or 6th Semester of all 3/4 year conventional degree programmes and 5-year integrated PG programmes.

In case of 4-year Professional Degree Programmes, in the first phase, the mandatory 2-month Community Service Project shall be done by all students during the intervening summer vacation between the second and third years of study and in the second phase a mandatory 2-month internship/ apprenticeship/on the job training shall be done by all the students during the intervening summer vacation between the third and fourth years of study. In the final and third phase a 6-month (one full semester) internship/apprenticeship/on the job training shall be done mandatorily either in the 7th Semester or 8th Semester

4. In this background, Government after examination of the matter hereby issue the following guidelines for the 10 month mandatory internship/ apprenticeship/on the job training for all the 3/4 year Conventional Degree Programmes, 5-year Integrated PG programmes and to the 4-year Professional programmes from the Academic Year 2020-21:-

1. Community Service Project:

The Community Service Project is an experiential learning strategy that integrates meaningful community service with instruction, participation, learning and community development. Community Service Project involves students in community development and service activities and applies the experience to personal and academic development. Community Service Project is meant to link the community with the college for mutual benefit. The community will be benefited with the focused contribution of the college students for the village/ local development. The college finds an opportunity to develop social sensibility and responsibility among students and also emerge as a socially responsible institution. The community service project has to be undertaken as per the guidelines of A.P. State Council of Higher Education and with the approval of respective Universities

2. Internship/Apprenticeship/On the Job Training

Developing an internship policy is an impactful strategy for creating a future talent pool for the industry. The Internship program not only helps fresh pass-outs in gaining professional know-how but also benefits the employers on fresh perspectives on business issues and even discovering potential future business leaders. The main aim of this initiative is enhancement of the employability skills of the students passing out from Higher Educational Institutions. The A.P. State Council of Higher Education has prepared a revised CBCS curriculum with the help of prominent academicians so that the State of Andhra Pradesh may produce competent employable graduates as per the needs of the industries. The objectives, procedures and evaluation system are defined in the regulations of the revised CBCS curriculum as approved by the respective Universities.

3. The 10-month mandatory community service / internship / apprenticeship/on the job training is an initiative which is unique in the country and also highly challenging. The community service / internship / apprenticeship / on the job training opportunity has to be provided to all the students of higher education at different phases of their study as per the regulations. To facilitate internships and also to implement them effectively an administrative mechanism is necessary at each district level.

In order to ensure effective implementation of the mandatory 10-month internship for the students of Colleges and Universities, and on the recommendation of the A.P. State Council of Higher Education, the Government of Andhra Pradesh constitutes State Level and district level internship coordination committees in each of the districts of Andhra Pradesh with immediate effect. “Idandee naa Parisodhana”
(Collaboration programme of Telugu Research)

Objective of the Programme

Research is a journey with no destination. If you make paths to an imaginary destination, touch the perfumes on the way, and pick up the obstacles, the research is the nectar of the fruit. Research is the churning of a milky ocean. Many kinds of observation, many kinds of analysis, many days of searching, many years of waiting. And then that thought becomes a theoretical essay. All the advice greets you as many doubts arise as a small idea develops into a big theory. Eventually the explorers reach their desired shore. It can lead to degrees. Awards can also be drawn. Anyway, research is a great journey.

There are many researches and many discoveries around us. It would take thousands of hours to read and learn about all of them. But if we want to know about a research in the shortest time, it is possible in the words of the researchers.

It's a journey formed with the idea that it would be good to have a platform to increase research progress, result and share those experiences, and it would be even better if we could here the gist of the research in the words of the respective researchers. The programme started on 27 February 2022 as collaborative research with the following committee..

Programme Outcome

Through this collaborative programme of Telugu research, the research students and faculty have gained knowledge about research methods and the way in which research should be done. Research students have learnt how to do the best research possible. Research students and faculty members learned about the obstacles faced while conducting a great research and how to overcome them and how to collect materials. Research students and faculty members also learned how to arrange footnotes and bibliography.
