ABOUT FABRIC PAINTING

D.K.Govt College for Women is organizing Free Certificate Course for students in collaboration with Pidilite Company. Pidilite Industries Fevicol brand is a well-known leader in adhesive, sealants, paint chemicals and more. Some of the well-known brands from its stable are Fevicol, Fevistik, Rangeela, Colstar, M-seal and Fevicryl Hobby Ideas colour range. The Fevicryl range has numerous products to be used for art and crafts and is very popular among all practitioners of craft. Fevicryl has been working with women who have a passion for art and have helped convert quite a few of them into successful professionals. Many of these women had given up their careers to take care of family, and in some cases women had to let go of their other careers to take up art and craft for the love of it.

Arts, Stationery and Fabrics division, Pidilite Industries identified hobby enthusiasts running hobby centres as potential partner, because they were key influencers within the region. These enthusiasts were given training via the Teacher Training course (TTC) of Fevicryl, which in turn helped participants convert their hobbies into a proper profession.

Partnership with women entrepreneurs happened as Fevicryl's promotional activities grew more complex. They embarked upon a journey to train art inclined people who were willing to learn art & craft, run their own business of hobby classes, as well as help Fevicryl.

National Nutrition Week Celebrations

(01-09-2017 to 07-09-2017)

History of National Nutrition Week

The campaign was first started by the central government in the year 1982 in order to encourage the good health and healthy living through the nutrition education as the malnutrition is the main obstruction to the National Development. To encourage the people for the same, the Food and Nutrition Board including 43 units (departments of women and child development, health and NGOs) is working all over the country to makeover the activities.

Lactating mothers are greatly encouraged to feed their newborn baby the first milk known as the colostrums and mother milk for 6 months to provide the newborns a great level of immunity and healthy living. The Indian Dietetic Association from Bangalore has decided to conduct an awareness program for Nutrition and Diet at Bhagwan Mahaveer Jain Hospital, Millers Road, Bangalore where the diet for Heart Disease, Diabetes, Children and Women will also be covered.

Program planned

National Nutrition Week was celebrated by Home science Department from 1st September to 7th September with an objective to bring awareness in the students about important tips of their health and well-being. Through the national nutrition week Home science students educated other students on the importance of nutrients. Healthy diet should include the whole grains, fruits, vegetables, fat-free milk or milk products, meats, fish, nuts, seeds and etc. To create awareness on nutrients home science students have done a recipe day and posted in you tube.

Recipe Day:

The students of Home Science prepared different varieties of recipes and displayed in the Housing Lab. II and III B.Sc Home Science students made it successfully. Students prepared 20 recipes on that day. All the recipes are delicious and were tasted by the staff. The recipes include: Bajra vada, potato lollipops, basundi, carrot halwa, coriander rice, bitter gourd pakodi, sweet corn vada, alu parata, garlic paneer rolls, momos, sajja vada, mixed vegetable dosa, veg sandwich, beet root halwa, ragi leaf cake, ravva laddu, lemon rice, chicken tikka, egg bajji, fruit custard.

Students enjoyed a lot while doing recipes. Students explained the nutritive values in the recipes.

Recipes prepared by Home science students

Students presenting seminar on the benefits of micronutrients

Students performing drama on the advantages of nutrients
