Job and Personality Development work shop Commerce Department 02-07-2022

On **02-07-2022** The Department of Commerce organized a job related and personality oriented work shop in the college campus. In the present day scenario, the students are supposed to possess a dynamic personality together with communication skills and soft skills to get a job in any company or industry.

Tota Mahesh CACMA (USA) Aspire Institutions-Madanapalli was invited as the resource person. Dr. D. Giri, Principal presided over the meeting. He welcomed the resource person and participants warmly and advised the students to make most of the opportunities at hand. Later the resource person delivered a lecture on how to develop one's personality and how it is useful to get a job and have good settlement.

Smt. Lakshmiprasanna, HOD of Commerce thanked the Principal for honouring the chair and also the resource person for guiding the students with knowledge.

**Educational Field Trip
Department of History
on 02-07-2022**

The Department of History organized an Educational Field Trip to Andhra Sabarimati Ashram, located at Pallipadu, Nellore District on 02-07-2022. The students of I.B.A visited the Ashram along with the lecturers of History Department. The Ashram has a significant place in the annals of history because it was once visited by Gandhiji during the freedom movement. He inspired the people with his powerful speeches and tried to inculcate moral values among them. Even today we can see charakha, spindles and other such implements promoted by him to make India self-sufficient. The students were greatly inspired by watching the photo gallery in the ashram.

Field Trip to SBI,Nellore Departments of Political science and Economics 05-07-2022

On 05-07-2022, the Departments of Political Science and Economics organised a field trip by visiting The State Bank of India, Durgamitta. The students of B.A I&II years under the supervision of the faculty of the above departments visited various counters and saw the transactions going on. The manager of the bank was quite friendly with the students and explained to them about gold loans, deposits, withdrawals, schemes implemented by them and so on. The students got a hands-on experience regarding pay slips, depositing and withdrawing of money, passbook entry, cheques and drafts etc. They were shown the strong room and the files room in the bank. The students felt very happy over the field trip planned by both the departments.

Plastic awareness programme organised by Eco-club,
special guest Dr. P.Yasodhara, Gynecologist
05-07-2022

On 05-07-2022, the Eco-club of D.K.Government College (A),Nellore organised Plastic awareness programme by inviting Dr. P.Yasodhara, Gynecologist, as a special guest. In the backdrop of global warming and oceanic pollution, the UNO has sent warning signals to all countries to restrain the use of plastic for the sake of preserving earth and earthly creatures. Dr.D.Giri,Principal presided over the meeting and gave an inaugural speech. He instructed the students to grow plastic conscious and warned about the impending plastic threat to the entire earth. Later, Dr. B. Rajarajeswari, the coordinator of Eco-Club thanked the guest for gracing the occasion in spite of her busy schedule.

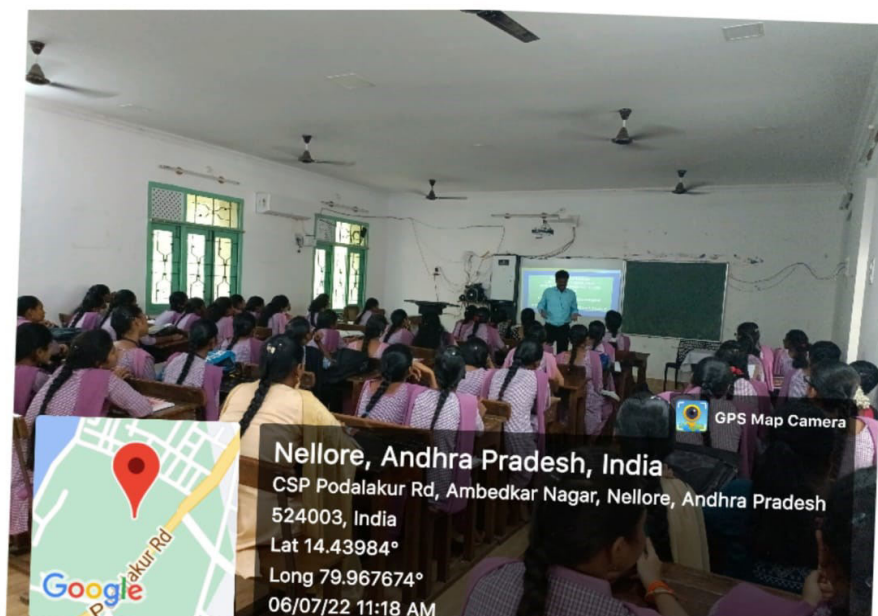

The Guest Speaker being a doctor, tried to create awareness among the students about the need to control the use of plastic bags, plastic glasses, use and throw articles and asked to replace them with the alternative resources like jute bags, paper glasses, cotton sheets etc.

She explained in detail about the danger of non-decaying nature of plastic and also about how, by forming a big layer on the surface of seas and oceans, it kills the sea creatures like fish, turtles etc by depriving them of oxygen. The students were thus made aware of the dangers of plastic.

The students were made aware of the consequences of plastic use in their daily life.

Dept of Zoology organized Guest lecture on the topic DNA Finger printing, Dr. K. Siva Prasad, SKRGDC was invited as Resource Person

On 6-07-'22, the department of Zoology organized a guest lecture on "DNA Finger Printing". The biology students of the first and second years attended the programme and gained a lot of knowledge about DNA finger printing. Dr. K. Siva Prasad, lecturer in Zoology, SKRGDC, Gudur was invited as the resource person to create awareness on the topic. He explained how chromosomes possess genes with coded language, and how DNA spirals bear the coded information that would be transmitted to the next generations. Since the topic is very interesting, the students paid attention till the end. Earlier, Dr. Sriranjani, the HoD of Zoology, welcomed the resource person and introduced him to the students. At the end of the programme, the resource person was honoured with a shawl by all the zoology faculty.

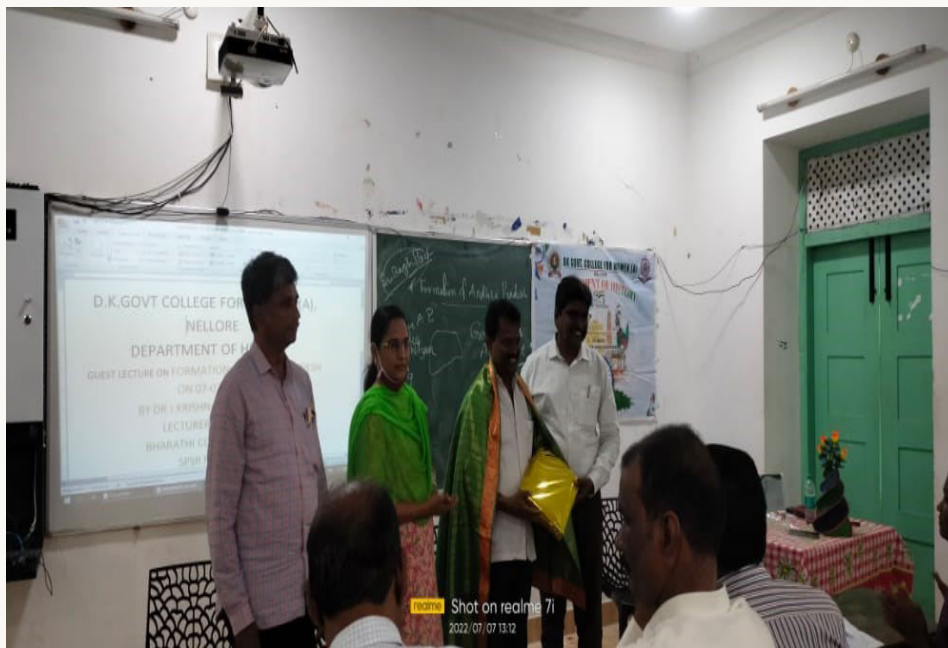

Winners of poster presentation on pollution types and their control measures- organised by Eco-club

As part of Eco-club activities, a poster presentation on “Pollution types and their control measures” was conducted to the students. As many as fifteen students participated in the poster competitions. The students came out with excellent presentations reflecting their ideas in a wonderful manner. We know that a picture is equal to one hundred words. The indescribable peril that we are in, and the dangerous state of earth were beautifully depicted in the posters. This competition not only exploited the students’ inherent talents but also made them grow as responsible citizens. Dr. T. Ravindra Babu, lecturer in chemistry and Dr. B.Rajarajeswari, lecturer in Botany supervised the proceedings of the competitions. This programme really tapped the real talents of the students and won appreciation from all.
